

Mr. Riggs

McLaren Vale

Generation Series

2021 Mr. Riggs Mrs. Pinot Gris

The old and the new, the past and the future, this Generation Series captures my approach to selecting and making the wines I love.

Cheers,

History

We're excited to introduce you to the newest member of the Generation Series, Mrs. Pinot Gris. Ben wanted to introduce this new vino to the range because of his connection with the Woodside vineyard. He has made many wines from the Woodside vineyard and the consistent quality of the vineyard finally made Ben set aside his prejudices and put it under the Mr. Riggs moniker.

Vineyard

The Adelaide Hills is located in the Mount Lofty Ranges, east of Adelaide. One of the largest geographical wine regions in Australia its diversity in terms of altitude, climate and soil helps to produce its distinctive cool climate wines.

2021 was an outstanding vintage in the Adelaide Hills. Consistent weather throughout the vintage allowed for ideal conditions throughout ripening and harvest. The Woodside vineyard, where the fruit for this wine is sourced, is a cool climate vineyard, planted in a heavy clay, with less sun exposure and a slightly more part of the vigorous vineyards. The 2021 vintage produced high yields with excellent flavour development and acid retention, an excellent expression of Pinot Gris.

Wine

The fruit was hand-picked, then crushed and de-stemmed. The cleanest press fractions reserved where the wine is lightly fined before fermentation in stainless steel. The wine is temperature controlled fermented at a low temperature between 14-16 degrees for 14 days. Some light mixing on lees for 14 days post ferment to introduce some texture to the wine stabilization and minimal intervention post ferment to prepare the wine for the final filtration and bottle. With a percentage of the fruit making its way to oak for a few months to create texture.

This is a delicate, bright and floral expression of Pinot Gris. True to style and textured with notes of pear and white peach.

Technical Details

pH:	3.08
TA:	6.70
Alc/Vol:	13%
Bottling date:	28th July 2021
Production:	895 6 packs
Winemaker:	Ben Riggs
